GREEN WITH ENVY

These good-for-the-earth culinary companies have us begging for more:

...we can't give enough kudos to **Cru Cacao** (www.crucacao.com), a chocolate and catering company that specializes in raw, vegan and organic creations. Hire founders Dereme Church and Blazej Mikulicz to cater any size bash, or try their incredible raw chocolate truffles made with cacao that's been organically and sustainably grown in Ecuador. Packaged in stylish recycled boxes, the chocolates are also a perfect gift.
